Sunday – June 7 – Meet & Greet

6:00 PM  Meet at the Conference Room at Hamilton Valley to meet your instructors and fellow participants, as well as representatives of Western Kentucky University, Mammoth Cave National Park, and the Cave Research Foundation. We will spend 1-2 hours introducing ourselves, preparing participants for the coming week, orienting everyone to Hamilton Valley, Mammoth Cave National Park, and the surrounding area, and addressing any questions and/or concerns. This will also provide participants that have arranged to stay at Hamilton Valley the opportunity to check into their rooms.

The Meet & Greet is mandatory for all participants – not just for those staying at Hamilton Valley! By addressing questions/concerns, gear-related issues, etc. on Sunday night, we can avoid dealing with these issues on Monday and delaying cave trips.
